If you are reading this, you have uncovered one of the four hidden scrolls I have compiled about the world of Avatar. This scroll contains sacred information about the Fire Nation -- stories, legends, and facts that I have found so far about this nation -- its history and culture and tales of its past and present.

Katara describes how Aang outwits and defeats the dreaded Admiral Zhao and the Fire Navy, Aang tells how he comes to accept his destiny, and Prince Zuko recalls the time he once captured -- and lost -- the Avatar. The scroll also contains information about leaders of the Fire Nation, Firebending techniques, the spirit world, and much more.

Keep this scroll safe, and share it only with those you trust.

Beware, for there are many who wish to expose its secrets...
