The Storyteller's Goddess is a collection of more than 30 stories from 20 cultures that celebrate the goddess. They are organized around seven healing goddess principles and are inspired by traditional goddess lore and ancient artifacts. Each one is introduced by placing it in its cultural and historical context, telling the story's origins, and describing props that can be used to invoke that story's goddess--from Kali and Hecate to Shekina, Kuan Yin, Athena, Mary, and Lilith.
