Always Faithful I. Isabella

Major Nichol "Nic" Caldwell is the only survivor of her helicopter crash in Iraq. She is left alone to wonder why she and she alone. Survivor's guilt has nothing on the young Major as she is forced to deal with the scars, both physical and mental, left from her ordeal overseas. Before the accident, she couldn't think of doing anything else in her life. In fact, she even had sacrificed love for service, but now she questions the very ideals she once believed in. Was it worth it? Sent Stateside to recover, she finds herself at the Marine Corps base in California where her new job is to inform families of a loved one's death. One of the "informs" will change her life forever. Claire Monroe is your average military wife, with a loving husband and a little girl. She is used to the time apart from her husband. In fact, it was one of the reasons she married him. Then, one day, her life is turned upside down when she gets a visit from the Marine Corps. She finds herself losing a husband but awakening a long-gone side of herself she never thought she would see again. Is she being disrespectful to the memory of her recently dead husband or is she finally being true to who she really is? Can these two women come to terms with the past and finally find happiness, or will their shared sense of honor keep them apart?
