## **El sueño de las Antillas** Carmen Santos

En la Habana del siglo XIX, una mujer decide tomar las riendas de su vida y forjar su propio destino.

En 1858, cuando Valentina partió desde España hacia la colonia de Cuba en pasaje de tercera clase, tenía un joven marido a su lado y el corazón repleto de ilusiones. A su llegada a la isla, sin embargo, sus sueños se resquebrajan: su esposo ha muerto durante la agotadora travesía y el lugar, de pronto, se revela como un entorno hostil.

Sólo Tomás Mendoza, un atractivo médico que viajaba en el mismo barco que ella, intenta ayudarla proponiéndole matrimonio. Pero Valentina le rechaza por orgullo, pues no está dispuesta a inspirar lástima, aunque eso signifique tener que vender su cuerpo en un refinado prostíbulo caribeño. Lo que no sospecha es que hay hombres que no se conforman con unas horas de lujuria comprada y que algunos, como el rico y apuesto Leopoldo Bazán, bajo sus caballerosas formas esconden la más abyecta crueldad.

Con el pulso firme y sagaz de los grandes novelistas, Carmen Santos ha tejido una historia inolvidable que tiene mucho de las grandes sagas. De las calles habaneras al prostíbulo y de allí a los fastuosos salones de la alta sociedad isleña, enriquecida hasta lo inimaginable con el cultivo de la caña de azúcar, El sueño de las Antillas nos cuenta la historia de una mujer fuerte, valiente y carismática que, en una época de intrigas políticas por la independencia de Cuba y por la abolición de la esclavitud, se debate entre la ambición, la venganza, y el amor verdadero.
