## **everything up to now** Paul Cote'

The strange and clairvoyant journey of a young man at peace with his universe into the warped reality of the California lifestyle. Never losing his optimism, he floats in and out of writing styles, from self-interview and press release to first-person accounts, prose and journalism, always coming back to the realization that the whole twisted mess of our existence is, in fact, all in perfect order. A hilarious and poignant collection of essays from the accomplished skateboarder, writer, painter and musician Paul Cote´.
