## **Girl in the River** Patricia Kullberg

A woman caught in the whipsaw of history. Girl in the River is a portrait of the intimate lives of women during one of the most corrupt periods in Portland history. It's an unflinching look at the power dynamics of sex. A glimpse into the working life of a call girl. An improbable love story. The tale of post-war assaults on reproductive rights. And a tribute to two remarkable and remarkably different women who shaped the lives of Portlanders during those tumultuous times: Dr. Ruth Barnett and Mayor Dorothy Lee.
