Healthy, Wealthy, and Fair: Health Care and the Good Society

James A. Morone, Lawrence R. Jacobs

Healthy, Wealthy, and Fair: Health Care and the Good Society James A. Morone, Lawrence R. Jacobs
America may be one of the wealthiest countries in the world, yet its citizens have lower life expectancy, more infant mortalities, and higher adolescent death rates than those in most other advanced industrial nations--and even some developing countries. In *Healthy, Wealthy, and Fair* a distinguished group of health policy experts pointedly examines this troubling paradox, as they chart the stark disparities in health and wealth in the United States. Rich in insight and extensive in scope, these incisive essays explain how growing income inequality, high poverty rates, and inadequate coverage combine to create the U.S.'s current healthcare difficulties. Ultimately, *Healthy, Wealthy, and Fair* not only identifies the problems contributing to America's healthcare woes but also outlines concrete policy proposals for reform, issuing a clarion call to end the stalemate over health reform.
