UXL Encyclopedia of World Mythology

In-depth coverage of the stories, characters and themes most-studied by students. U•X•L Encyclopedia of World Mythology is unique for its depth of individual myths, its breadth of cultures covered and its accessibility to middle school students and up. Mythology is more than just a collection of stories and characters. They act as a window into the beliefs and values of ancient civilizations. This volume 1 of a new five-volume set from U•X•L helps students with the plot points, the historical context, and the mythological allusions they need to fully understand how mythologies not only reflect cultures of old, but also remain meaningful in society today.
