A Bestseller in Medical Law & Legislation, this book offers a new look at the current approaches used to address problems found in medical care. While reading a fiction, readers are able to explore the back office of medical practices and gain a better understanding of providers while looking for the real 'Monster' depleting the profession of medicine. "We thank you for bringing attention to this serious and growing problem." Jane M. Orient, Executive Director, AAPS -American Association of Physicians & Surgeons. "A book worth reading: This story is especially timely now that the health care reform is being implemented, as the new law will create a new raft of regulations that could make it even more difficult for doctors to practice medicine." Michael Tanner, Senior Fellow, Health Care, Cato Institute. "The Monster Chase explores several issues facing healthcare professionals. These issues stem from misinformation and corruption which arise out of the complex bureaucratic nature of the modern healthcare industry." Danny McCorry, Health Policy Research at The Heritage Foundation, Georgetown University School of Medicine. "Fascinating Read, an eye-opening and provocative book. " Cynthia Westland. "Timely for the current health care debate." Elgon B. Williams, Florida, Purdue University, Radio and Television Production. "There are few books that have captured my attention like 'The Monster Chase' did." David MacDonald, co-founder of SimpleCare, and President of Liberty Health. "Great read, on both sides of the examination table.." Kevin Sirmons, Minnesota, Medical Director, NAEMSE, NREMT, AAFP. Readers comments: "A smart novel that puts together fiction with reality." "Realistic and gripping" "Touches upon a topic prevalent to most everyone living in the US, health care. "A quick and interesting page turner." More: AMonsterChase.com
