## **Agony And Ecstasy (The Marcy Series Book 3)** Linda Burson

Marcy's still reeling from the decision Brad made. Even though she realizes it's for the best, it doesn't mean she has accepted it completely.

Liam finally receives the revenge he's wanted for the past eleven years, and wants nothing more than to move on with his life with Marcy.

After an informative therapy session with her psychiatrist, Dr. Bengali, and his warnings of concern about Marcy's continuing nightmares and possible consequences of these nightmares, Liam rushes from the room becoming ill in the bathroom. Dr. Bengali feels it will be beneficial to use the rest of Marcy's appointment time to speak with Liam privately, and she agrees. After their private discussion, and on the advice of Dr. Bengali, Liam opens up to Marcy in a way he never has before. He refuses to leave her side.

Eventually, Marcy's nightmares come to a head, and the effects are shattering. Liam makes a decision that devastates their lives and turns Marcy's world upside down. Choices are made, and Brad and Marcy meet again; however, they receive more shocking news.
