Eddie Matthews is faced with a dilemma. After being overheard declaring that he would do anything legal, if the price was right, he is presented with an offer that more than tests the voracity of his claim.

This story contains scenes of male exhibitionism and male/male sexual activity and is designed for a mature audience only.

EXCERPT:

I was still not sure I had fully understood his offer, even though it seemed blindingly clear. "Let me get this right, you are asking me to take off my shirt and tie, here in your office, and you'll just give me \$400? He nodded silently.

"OK, what's the catch?" I asked.

He shook his head. "There is no catch, Eddie. Just remove your shirt and you can pick up the money."

I looked at the pile of notes in front of me, and then back at him. "Just my shirt and tie?" I asked again and, once again, he simply nodded.

What the fuck, I thought, where is the problem in taking off my shirt? I do it all the while in the gym and I could certainly use \$400. I quickly discarded my tie before slowly beginning to unbutton my white, short sleeve shirt. He leaned back in the chair, brazenly watching me. When all the buttons were undone, I eased it down off my back and dropped it in to my lap. Even though the office was air-conditioned I felt a little warm, a little sweaty...and ever so slightly exposed.

"There, that wasn't too difficult, was it?" he asked. I shrugged my shoulders. I was beginning to feel a little self-conscious about the way he was looking at me, naked from the waist up. I was also suddenly conscious of my nipples beginning to stiffen, but dismissed it as a by-product of the cool temperature in the large, air-conditioned office.

"The \$400 is yours, Eddie," he said as he pushed it towards me. I looked at the thick bundle of crisp new \$20 notes. All that, I thought, just for taking my shirt off.

"Now, how would you like another \$600?" he asked.
