## **Midnight Ride** Shae Shannon

Tessa is an ordinary girl, working an ordinary job in the small town she was born and raised in. Being the only business that stays open past five o'clock, Quicky Mart is the town's one stop shop.

When she hears customers in the store while she is stocking the cooler, she huffs and goes to assist them. What meets her around the corner warms her instantly, and makes the past few moments in the frigid room a distant memory.

Shade, Justin, and Andy are three brothers from the Bare it All Ranch. After a grueling day of hauling hay, they make their way into town for a beer run. Once their eyes roam over the little vixen at the store, dessert is on the menu too.

Three sexy cowboys, one curvacious little minx and a bonfire heat the midnight air and give her a ride she will never forget...

~~This novella contains graphic language, little or nothing left to the imagination, menage, DP, TP, anal sex, spanking, and three hot cowboys giving one girl the night of her naughty dreams!
