## "Where Were You?": The Assassination of JFK Bob Cornell

We have tried to be objective in our analysis of Jack Kennedy's assassination. Coupled with that is 6.5 years of research in which we feel that we have discovered those that planned and those that carried out this detestable crime. JFK was a threat to many. At the time of his death he had plans to 1) abolish the Federal Reserve 2) abolish the oil depletion allowance 3) shorten the war in Vietnam and 4) witness passage of a Civil Rights Bill that would give the black man true equality. By reading this book you will also receive a good historical background into Vietnam plus the background of the assassination. So read and enjoy.
